

CHACE: National Week of Action May 30-June 5 Sample Tweets/Facebook posts

1. Continued investment in federal housing resources in my district, District XX, means there are more homes available and affordable for Virginians. #OurHomesOurVoices
2. The following federal resources exist in Virginia Congressional District XX. We must maintain/increase the budget for housing resources so households with these resources continue to afford their homes, and so more families have access to a home. #OurHomesOurVoices
3. Federal housing resources in my district, District XX, help relieve some of the burden of high housing costs. With the assistance of these resources, families have more money left over in their monthly budget for other essentials such as food and healthcare. #OurHomesOurVoices
4. In my district, District XX, federal resources have meant that more families have been able to find homes they can afford. Let's continue to advocate for more resources so more of our neighbors can find homes! #OurHomesOurVoices
5. I am calling on my congressperson, **add twitter account**, to advocate for continued funding of critical federal housing resources. #OurHomesOurVoices
