In Virginia, a higher percentage of Black and Hispanic renter households are housing cost burdened (paying more than 30% of their income on rent) than white households.

### A legacy of discriminatory policies has restricted access to opportunity, leaving communities of color behind.

A wide homeownership gap exists **VS** in **York County** where **77%** of white households are homeowners.

### Many Virginia families in low wage job sectors are now facing unemployment, making it all the more difficult to pay the rent/mortgage.

**82% of Virginia Voters agree that people who work in the community should be able to find a home there.** CHACE & CNU Wason Center public opinion poll results (2017)

### Affordable housing programs in District 2 help lift our neighbors out of poverty.

**Virginia Supportive Housing's Cloverleaf Apartments** in Virginia Beach is the 2nd permanent supportive housing development for homeless adults in the region. Formerly the site of a skating rink, VSH repurposed the building into apartment homes for homeless individuals in 2008. The property has 60 units and provides onsite support services for its residents. Multiple localities in the region contributed funding and subsidies for the development.

The **Campaign for Housing and Civic Engagement**, a coalition of the **Virginia Housing Alliance**, is a collaboration between housing advocates and providers throughout Virginia working to bring housing issues to the forefront of elections across the state. **CHACE** is non-partisan and does not endorse candidates.
